

Name of Extension/Public Service (The name of the service being offered)	Library Services
Objective (Description of the service being provided; History of service provision)	<p>The library services aim to provide assistance to PHTRC research and extension staff. It includes searching and downloading of relevant information on the topic of postharvest (e-books, articles/reprints from postharvest e-journals, and latest statistics on perishable crops). It also aims to assist students of various levels by helping them in the searching and retrieving of requested articles.</p> <p>Additional services offered include sending of the PDF copy of the requested articles or documents through e-mail, as well as the compilation and dissemination of information on postharvest and other related fields with full text.</p>
Duration/Date	Continuing activity
Target Beneficiaries	Private individuals, non-government organizations, schools and other universities and government staff, and farmers and traders
Cost of Participation	Free
Office in Charge	Postharvest Horticulture Training and Research Center (PHTRC) University of the Philippines Los Baños
Office Profile Degree granting or non-degree granting Purpose of creation Location in the hierarchy (Background of the office providing the service i.e. Number of personnel and Key personnel providing the service)	<p>The PHTRC was established in 1977 with grants from ASEAN-AECP program in response to the United Nation's call to reduce food losses. It has since intensified its efforts in responding to the local horticulture industry needs while continuing its linkages with other countries in the improvement of postharvest systems. The PHTRC follows a systems and multidisciplinary approach in the conduct of postharvest research, extension and training.</p>
