

Name of Extension/Public Service (The name of the service being offered)	Policy Analysis Training for Watershed Management
Objective (Description of the service being provided; History of service provision)	The main objective of the workshop-training is to enhance the conceptual and practical knowledge of the Municipal/Provincial Legislative Council, Municipal Planning Officer, and Municipal Agricultural Officer in policy analysis toward an evidence-based formulation of policies relating to watershed management. At the end of the training, the participants will be able to articulate the importance of policy and policy analysis with respect to watershed management. They will also be able to apply selected tools and techniques in undertaking policy analysis for watershed management. Lastly, they will be able to draft an ordinance or resolution for an integrated watershed management.
Duration/Date	Four days or on-demand basis
Target Beneficiaries	Local government units, state colleges and universities
Cost of Participation	Php 10,000 per participant which includes the registration fee, food and accommodation
Office in Charge	Center for Strategic Planning and Policy Studies (CSPPS) of the College of Public Affairs and Development (CPAf) University of the Philippines Los Baños (UPLB)
Office Profile Degree granting or non-degree granting Purpose of creation Location in the hierarchy (Background of the office providing the service i.e. Number of personnel and Key personnel providing the service)	The Center for Strategic Planning and Policy Studies, a non-degree-granting unit and one of the research centers of the College of Public Affairs (CPAf), is geared towards generating science-based, timely and objective policy research programs on the crosscutting and interconnected community concerns in public policy decision-making. CPAf has and is currently conducting most of the policy research themes on Agricultural Policy and Self-Sufficiency, Social Policy and Institutions, Science and Technology Policy, and Local Governance, in collaboration with the various colleges of UPLB, other state colleges and universities, regional field units of the Department of Agriculture, and local government units. CSPPS has seven University Researchers and two University Research Associates, as well as three Administrative Staff (one Administrative Officer and two Administrative Assistants).
