| Objective (Description of the service being provided; History of service provision) | This training enhances participants' technical capability and develops their skills on postharvest horticulture management. It focuses on the meeting of requirements for quality and safety of fresh produce as it goes to the supply chain. |
| Duration/Date | Two weeks every first to second weeks of May, or the second or third week of October |
| Target Beneficiaries | Private individuals, non-government organizations and government staff, and farmers and traders |
| Cost of Participation | Depending on the arrangement |
| Office in Charge | Postharvest Horticulture Training and Research Center (PHTRC) University of the Philippines Los Baños |
| Office Profile Degree granting or non-degree granting Purpose of creation Location in the hierarchy (Background of the office providing the service i.e. Number of personnel and Key personnel providing the service) | The PHTRC was established in 1977 with grants from ASEAN-AECP program in response to the United Nation's call to reduce food losses. It has since intensified its efforts in responding to the local horticulture industry needs while continuing its linkages with other countries in the improvement of postharvest systems. The PHTRC follows a systems and multidisciplinary approach in the conduct of postharvest research, extension and training. |
| Awards/recognition received by the office (The awards given by or received by the office offering the service, if any) | N/A |
