

UP SYSTEM REPORT ON COVID19-RELATED ACTIVITIES (1-15 July 2020)

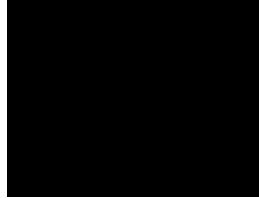

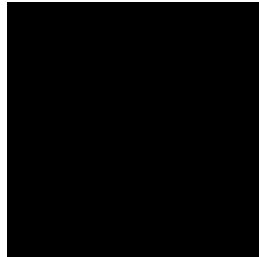

CU Involvement in COVID19-Related Research/Technology/Extension Activities

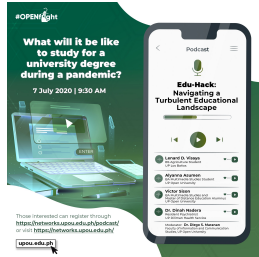

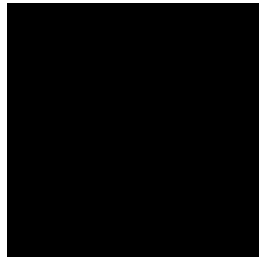

No.	CU	Initiative (Name/Title of Initiative)	Description (Short Description)	Source/Links	Spearheaded by:	Details (e.g. Pictures)	Other Information (e.g., social media links, links to media releases/features, more description)
1	UP Diliman	UP Arki designs portable COVID-19 testing station	A team led by UP Arki professor designed a mobile testing station that can be deployed to barangays. Swab samples can be easily forwarded to the nearest laboratory testing through this mobile testing station. There will be one driver and two medical staff who will conduct the testing per testing station.		UPD College of Architecture	 <p>UP Arki designs portable COVID-19 testing station</p> <p>A team led by UP College of Architecture professor Christopher Espina designed a mobile specimen collection unit (MSCU) that can collect swab samples from barangays and forward them to the nearest laboratory for testing. The MSCU consists of a single modular unit mounted by a driver and two medical staff who will conduct the actual testing.</p> <p>#TagUP</p>	https://www.facebook.com/Official-UPDiliman/photos/a.640857382658085/3079861012091031/?type=3&theater
2	UP Diliman	SOLAIR faculty shares expertise on labor	UP SOLAIR faculty shared their expertise on labor issues during the pandemic through legal advice, webinars, and articles		UPD School of Labor and Industrial Relations		https://www.facebook.com/Official-UPDiliman/photos/a.640857382658085/3083557678388031/?type=3&theater

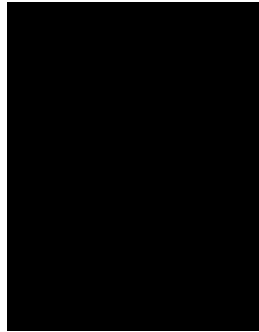

3	UP Diliman	Webinar Session 8: Exploring Blended Learning Strategies	The webinar on blended learning strategies was held last July 10, 2020 10:00 AM with speakers Asst. Prof. Jon Paul F. Maligalig and Asst. Prof. Elenita N. Que		UPD College of Education		https://www.facebook.com/UPPublicService/photos/a.429886630533280/1378387419016525/?type=3&theater
4	UP Diliman	The first UPDEPPO Webinar #GearingUPfortheNewNorm : Practical Insights for Micro and Small Businesses, a two-part webinar series.	The free webinar, which was conducted last July 11, 2020 10:00 AM, discussed 3 topics: The Effects of the COVID-19 Pandemic and ECQ Enforcement on the Economy of Central Luzon, New Form, New Norm: New Realities in Marketing, and In or Out? Managing Cash Flows. Digital certificates were given to attendees.		UP Diliman Extension Programs in Pampanga and Olongapo		https://www.facebook.com/upclarkoficial/photos/a.245450002296846/1407155422792959/?type=3&theater
5	UP Diliman	UP Arki designs central referral complex	UP Arki lecturer John Ryan Santos designed the referral complex		UPD College of Architecture		https://www.facebook.com/Official-UPDiliman/photos/a.640857382658085/3104009806342818/?type=3&theater
6	UP Diliman	Demystifying COVID-19: Pathophysiology, mechanisms of transmission, and environmental origins of the SARS-CoV-2 virus	UPD Institute of Environmental Science and Meteorology held a webinar last July 8, 2020 with Professorial Fellow Dr. Alexander T. Young to discuss the environmental origins of COVID-19.		UPD Institute of Environmental Science and Meteorology		https://www.facebook.com/updcollegeofscience/photos/rpp.105003480867987/300235408011459/?type=3&theater

7	UP Los Banos	CPaf webinar features LGUs' strategies in COVID-19 mgt	UPLB CPAf conducted a webinar to provide a venue for LGUs to share their experience, best practices, and lessons learned in handling a pandemic. With guests Mayor Arcillas of Sta. Rosa, Laguna, a UPLB alumna, and Mayor Gatchalian of Valenzuela City, they shared the importance of data and public-private partnership in the webinar.	https://uplb.edu.ph/all-news/cpaf-webinar-features-lgus-strategies-in-covid-19-mgt/	UPLB College of Public Affairs and Development (CPAf)		
8	UP Los Banos	Know the risk of getting COVID-19 at your workplace	UPLB biomathematicians developed a job risk calculator and workplace outbreak stimulator, which can be accessed online for free, for the public to determine the level of risk in their workplace and prepare accordingly.	https://uplb.edu.ph/all-news/know-the-risk-of-getting-covid-19-at-your-workplace/?fbclid=IwAR17VVXb-K2hO1Sai-9q2vkbv-j-d8Golul4TOWkh-AG0KExMcSRh-DO52Z1T0			

9	UP Los Banos	Biochemist stresses agri biotech's role in COVID-19 fight	Dr. Flerida A. Cariño, UPLB alumna and UPD biochemistry professor, explained in a webinar that agri-biotech, like molecular biology and biotechnology (MBB), a field that facilitates virus detection, disease management and treatment, and development of vaccines and therapeutics, plays a crucial role in solving the problems of pandemics. Agri-biotech also uses the same tools and techniques of MBB, and Agri biotech's plant-based, animal-based, and egg-based vaccine production methods could be helpful in COVID-19 vaccine production. Also, nutritionally enhanced crops which are products of agri-biotech can be helpful in boosting people's immune system.	https://uplb.edu.ph/all-news/biochemist-stresses-agri-biotechs-role-in-covid-19-fight/?fbclid=IwAR2XS5EXf-M6lQMq1bqyob-TJP5WqvGOxY_Czh-U8AWlwvkSece-G1UCjrh_OWM	UP League of Agricultural Biotechnology Students and UP LABS Association		
10	UP Los Banos	Science Communication in the time of COVID-19	Asst. Prof. Elaine DC. Llanera of UPLB College of Development Communication is one of the speakers of DOST webinar held last July 14, 2020	https://uplb.edu.ph/all-news/devcom-prof-joins-scicom-in-covid-19-talk/?fbclid=IwAR1l-Sx_I0RorghPTzzzJz-s0H2qXdzpjw0RBQj-ENbRf2NmXmd6tLc-JGqG8			https://www.facebook.com/dostpcieerd/photos/a.361915817278841/1888788531258221/?type=3&theater
11	UP Los Banos	UPLB inaugurates its COVID-19 testing center	Last July 10, 2020, UPLB formally opened its COVID-19 Molecular Diagnostics Laboratory which will serve as a subnational testing center for Laguna and nearby provinces	https://uplb.edu.ph/all-news/uplb-inaugurates-its-covid-19-testing-center/			

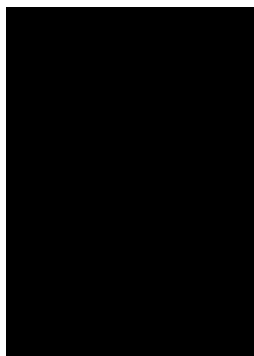

12	UP Visayas	Education in this pandemic. What is the “New Normal” in Learning?	DYUP 102.7 FM conducted a webinar last July 10, 2020 from 9:00 AM - 10:30 AM to discuss how learning can continue during a pandemic. The speakers are from UPOU, UPV, and other SUCs and HEIs.		DYUP 102.7 FM		https://www.facebook.com/UPVDivisionofHumanities/photos/a.373837893220455/645963002674608/?type=3&theater
13	UP Open University	DICT Free Webinar for Educators Session	UPOU Chancellor Bandalaria served as a speaker for DICT Mindanao Cluster 1 free webinar for educators last July 2, 2020. The topic of the webinar is instructional design in remote teaching and learning. A webinar on assessment in remote teaching and learning was also held last July 8 by UPOU and DICT. Asst. Prof. Ana Katrina T. Marcial, Faculty of Education, UP Open University (UPOU) served as resource speaker. There are also scheduled webinars throughout July that will talk about other topics related to online teaching and learning that the public can attend.			 	https://www.facebook.com/UPOpenUniversity/photos/a.119842598070183/3036855903035490/?type=3&theater https://twitter.com/UPOpenU/status/1278271424566706182

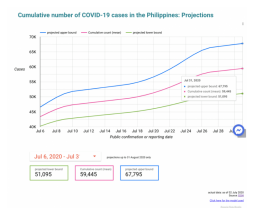

14	UP Open University	Edu-Hack episode 5, 6, and 7	Edu-Hack is UPOU’s effort to discuss how Philippine universities are responding and adapting to disruptions in higher education brought about by the COVID-19 pandemic. Last July 1, 2020, UPOU’s edu-hack session targeted teachers and faculty members handling laboratory classes but was also made available to an unlimited number of participants. Last July 7, 2020, UPOU’s session discussed what it will be like to study for a university degree during a pandemic. On the other hand, episode 7 was held last July 14, 2020 which discussed offline technologies for remote teaching and learning		UPOU Office of Public Affairs, Faculty of Education, and Multimedia Center	  	https://www.facebook.com/events/696423504529070/ https://www.facebook.com/UPOpenUniversity/photos/a.119842598070183/3061805070540573/?type=3&theater Link to Facebook LIVE , YouTube video
15	UP Open University		UPOU Chancellor Bandalaria explained, in an online article by ABS-CBN, the context behind online learning during a pandemic and the inevitability of this new normal.				https://news.abs-cbn.com/spotlight/multimedia/slideshow/07/04/20/distance-learning-philippines-new-normal-2020?fbclid=IwAR0M30rw5uy2Sjl-j3Zfnr-Q36vqlmsFsPTo-CMD4A352m7cpZ-GA2OKk_PJew

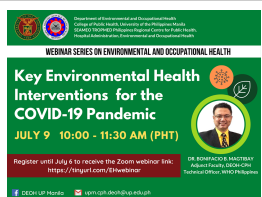

16	UP Open University	Massive Open Online Course (MOOC) on Interlocal Cooperation	UPOU is already on its third module for their MOOC. Module 3 is about institutional ingredients. This was held last July 13, 2020.				https://www.facebook.com/UPOpenUniversity/photos/a.119842598070183/3050450211676059/?type=3&theater
17	UP Open University	Futures Research Series: Unraveling the COVID-19 Pandemic Using Advancement in Molecular Epidemiology	The Future Research Series of UPOU had its fifth installment last July 10, 2020 which discussed COVID-19 using molecular epidemiology perspective. The speaker of the webinar was Dr. Mary Grace B. Dacuma of UPLB		UPOU Office of Vice Chancellor for Academic Affairs and FMDS		https://www.facebook.com/UPOpenUniversity/photos/a.119842598070183/3050432685011145/?type=3&theater
18	UP Open University		UPOU together with University of New South Wales in Australia offered free online courses for 300 teachers who are scholars of JOLT.PH, a nonprofit organization. Teachers who will be able to finish the online courses will get a certificate and they become qualified to teach online classes	https://newsinfo.inquirer.net/1301974/ph-teachers-get-help-ful-jolt-in-transition-to-distance-learning			

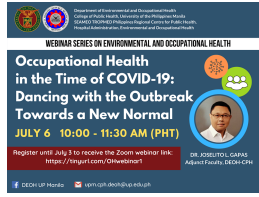

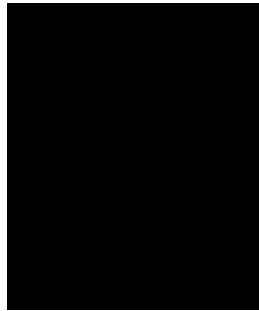

19	UP Open University		UPOU former Chancellor Felix Librero explained, stated in an on-line article by ABS-CBN, that in order for online learning to be effective, policymakers, teachers, and learners must change their mindset towards this new mode of learning. For areas that do not have wifi or computer access, the government can opt to use traditional technologies like television and radio.	https://mb.com.ph/2020/07/03/distance-learning-and-the-great-divide/			
20	UP Open University	Kahandaan, Kasanayan, at Kaalaman: FEd and OUPahinungod Bridge Program	The Ugnayan ng Pahinungòd UP Open University in collaboration with the UPOU Faculty of Education, launched the “Kahandaan, Kasanayan, at Kaalaman: FEd and OUPahinungod Bridge Program”. A total of 3,972 participants signed up for the Bridge Mathematics and 4,253 participants enlisted for the Bridge English. The first offering of the bridge courses will run from 1 July - 30 September 2020.	Online Bridge English and Math Courses https://model.upou.edu.ph	Ugnayan ng Pahinungòd UPOU and Faculty of Education		

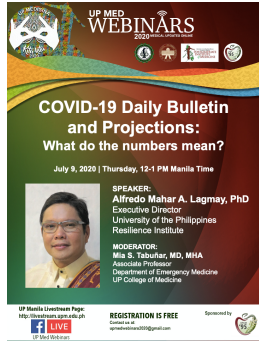

21	UP Open University	Masterclass on Appreciating the Numbers in Communication Research: Statistical Methods for Social Science - Part 2	Last July 3, 2020, The UPOU Faculty of Faculty of Information and Communication Studies in partnership with the UPOU Alumni Foundation, Inc. (UPOUAFI) organized a Masterclass entitled "Appreciating the Numbers in Communication Research: Statistical Methods for Social Science (Part 2)." The lecture was a continuation of the discussion of the proper application of statistical techniques to be able to interpret the outputs generated, given the data collected by the researchers.	Appreciating the Numbers in Communication Research: Statistical Methods for Social Science (Part 2) (via UPOU Networks)	UPOU Faculty of Information and Communication Studies		
22	UP Open University	Online Distance Teaching and Learning	Dr. Joane V. Serrano, Director of the Office of Public Affairs, UPOU served as Resource Person for a webinar organized by Siliman University for the topic "Online Distance Teaching and Learning"				
23	UP Open University	Measuring the Impact of Emergency Online Teaching on the Quality of Education	Last July 6, 2020, UP Open University Chancellor Melinda dela Peña Bandalaria served as Speaker Center for Learning Innovations and Customized Knowledge Solutions (CLICKS) Panel Discussion 3 titled "Measuring the Impact of Emergency Online Teaching on the Quality of Education."	https://www.youtube.com/watch?v=6o8pswbOWmo			

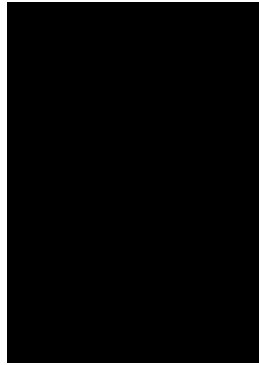

24	UP Open University	FICS MeetUPs	The FICS MeetUPs is a regular activity which encourages the sharing of knowledge and skills. The resource speaker, Ms. Joshze Rica Esguerra, tackled the topic Internet Safety which is relevant to the current situation facing our country. This was held on July 7, 2020.		UPOU Faculty of Information and Communication Studies		
25	UP Open University	Learner and Teacher Support in Remote Instruction	Dr. Joane V. Serrano, Director of the Office of Public Affairs, UPOU served as Resource Person at the Don Bosco Salesiana Books Chalk Talk for the topic “Learner and Teacher Support in Remote Instruction” last July 15, 2020				
26	UP Open University	New Resource from UPOU Networks: Planetary Health The Next Research Frontier	A social media post about the New learning resource from UPOU Networks titled Planetary Health The Next Research Frontier	https://networks.upou.edu.ph/28665/planetary-health-the-next-research-frontier-dr-ramon-lorenzo-luis-r-guinto/			
27	UP Open University	Philippine Nursing Service Preparedness amidst Pandemic	A social media post and invitation to FMDS Let’s Talk It Over Series entitled “ Philippine Nursing Service Preparedness amidst Pandemic.”	https://www.facebook.com/UPOpenUniversity/posts/3058437780877302	UPOU Office of Public Affairs, FMDS		

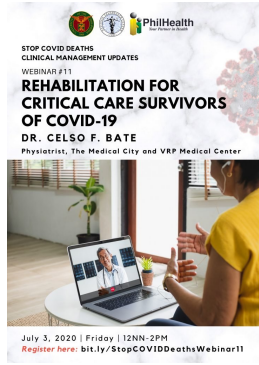

28	UP System		According to Prof. Guido David of the UP COVID-19 team, it will be best if Metro Manila will continue to be under quarantine to lessen the possibility of spreading the virus in other areas in the country. Their team estimated the number of cases to reach 80,000 by end of July	http://www.dwiz-882am.com/index.php/metro-manila-dapat-magkaroon-ng-mas-mahigpit-na-quarantine-protocols-up-prof/ https://manilastandard.net/index.php/mobile/article/328570			
29	UP System and UP Los Banos		UP Resilience Institute and UPLB College of Agriculture and Food Science promoted urban edible landscaping		UP Resilience Institute and UPLB College of Agriculture and Food Science		https://www.facebook.com/UPResilienceInstitute/posts/302640967809067
30	UP System	No crowding, please: COVID-19 and Physical Distancing	Last July 3, 2020, UP CIFAL held a webinar regarding physical distancing and the issues incorporated in this solution to fight COVID-19. It discussed the relationship of local governance, human rights, and technology on physical distancing	https://www.up.edu.ph/enforcing-physical-distancing-to-fight-covid-19-in-upcoming-up-cifal-webinar/	UP International Training Center for Authorities and Leaders Philippines (UP CIFAL Philippines)		
31	UP System	UP COVID-19 Pandemic Response Team launches new features on endcov.ph	The UP COVID-19 Pandemic Response Team launches new features in endcov.ph -- viewing of case projections (anyone can view number of cases in the Philippines), state of COVID-19 transmissions in NCR (cases per LGU), COVID-19 density map, and collection of information resources and advisories regarding COVID-19.	https://www.up.edu.ph/up-covid-19-pandemic-response-team-launches-new-features-on-endcov-ph/			

32	UP System	Social protection should be sector-specific	The UP Pandemic Response Team recommended, based on their study, that government should take into consideration the needs (social protection, income and food security, quality health care, constant water supply and sanitation services, and updates on COVID-19 that are easily understandable) of vulnerable and marginalized sectors to survive the pandemic	https://mb.com.ph/2020/07/14/social-protection-should-be-sector-specific-up-experts/			
33	UP System	Webinars for UP Staff	UP ITDC offers free webinars for UP staff to strengthen their work-from-home capabilities	https://itdc.up.edu.ph/services/staff-training			
34	UP Cebu and UP Open University	Global storming, forming, norming: a virtual forum on going live for online, blended, and assisted learning	UP Cebu in cooperation with Cebu Normal University held a webinar last July 3, 2020 that discussed the challenges of HEIs in online learning. UP Open University Chancellor Melinda dela Peña Bandalaria and she talked about “Ways of Improving and Accelerating Learning Using the Digital Mode of Delivery.”	https://upcebu.edu.ph/global-storming-forming-norming/	Office of the Chancellor and UP Cebu Ugnayan ng Pahinungod in cooperation with Cebu Normal University	 <p>The poster is titled "GLOBAL STORMING FORMING NORMING" and is subtitled "Global Storming, Forming, Norming: A Virtual Forum on Going Live for Online, Blended, and Assisted Learning". It lists four main topics and their speakers: "Challenges and Experiences in Managing Learning Continuity Amidst the COVID-19 Pandemic" by Dr. Florencio T. Uyegaki; "Available Technologies for Online Learning" by Ms. Janelle Gonzalez; "Experiences and Research in Using Flexible Learning" by Dr. Aurelio B. Villor; and "Data Privacy Considerations for the New Normal in Higher Education" by Mr. Yon Uyuen M. Resalido. It also mentions "Ways of Improving and Accelerating Learning using the Digital Mode of Delivery" by Dr. Melinda Bandalaria. The event is dated "03 July 2020 9AM via Zoom".</p>	
35	UP Manila	Key Environmental Health Intervention for the COVID-19 Pandemic	The Department of Environmental and Occupational Health (DEOH) conducted a webinar last July 9, 2020 that discussed the environmental health interventions needed to solve the issues brought by the COVID-19 pandemic. The speaker of the webinar is Dr. Bonifacio Magtibay, faculty of DEOH and technical office of WHO Philippines		Department of Environmental and Occupational Health, College of Public Health	 <p>The poster is titled "Key Environmental Health Interventions for the COVID-19 Pandemic" and is part of the "WEBINAR SERIES ON ENVIRONMENTAL AND OCCUPATIONAL HEALTH". It specifies the date and time as "JULY 9 10:00 - 11:30 AM (PHT)". It includes a photo of Dr. Bonifacio Magtibay and provides registration information: "Register until July 8 to receive the Zoom webinar link" and "on bonifacio.magtibay@up.edu.ph" and "https://tinyurl.com/9Hwebinar". It also lists social media handles for DEOH-UP Manila and WHO Philippines.</p>	https://www.facebook.com/UPMANI-LAOFFICIAL/photos/a.278605778883330/3052303541513526/?type=3&theater

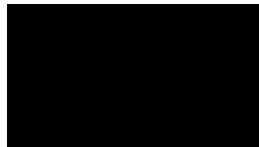

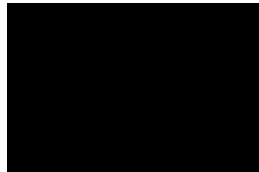

36	UP Manila	Occupational Health in the Time of COVID-19: Dancing with the Outbreak towards a New Normal	The Department of Environmental and Occupational Health (DEOH) conducted a webinar last July 6, 2020 that discussed occupational health in time of COVID-19 with speaker Dr. Joselito Gapas faculty of DEOH				https://www.facebook.com/UPMANI-LAOFFICIAL/photos/a.278605778883330/3051776241566256/?type=3&theater
37	UP Manila	Forensics and Pandemics	The webinar series talked about the challenges in forensic DNA testing during a pandemic, forensic practices, and mental health. The speakers are Dr. Corazon de Ungria, Dr. Emilio Nuzzolese, and Dr. Nurfitri Swastiningsih		College of Arts and Sciences, College of Medicine, College of Dentistry, and Anthropology 111 UPM		https://www.facebook.com/UPMANI-LAOFFICIAL/videos/302619461100196/
38	UP Manila	The Impact of COVID-19 on Health and Health Equity in the ASEAN Region	For the second part of the webinar series conducted by the Global Health Institute, Dr. Katherine Reyes of the Department of Health Policy and Administration, College of Public Health, UP Manila was one of the speakers of the topic “analysing of the impact of COVID-19 on maternal and child health in the ASEAN region”. This was held last July 8, 2020				https://twitter.com/DrKathyReyes/status/1278287050966532096/photo/2 https://www.facebook.com/231379813555515/posts/3746893878670740/
39	UP Manila	Enhancing public health, surveillance, and response in time of COVID-19 in the Philippines	UPM College of Public Health held a press conference last July 3, 2020 with speakers Dr. Vicente Y. Belizario Jr., Dean of College of Public Health, Dr. Katherine Reyes, Prof. Buenalyn Ramos-Mortel, and Prof. Carmela D. Co.		UPM College of Public Health		https://www.facebook.com/231379813555515/posts/3752160218144106/

40	UP Manila	COVID-19 Daily Bulletin and Projections: What do the numbers mean?	Last July 9, 2020, UP Med Webinar held a webinar on the COVID-19 projections with Dr. Mahar Lagmay of the UP Resilience Institute as speaker and Dr. Mia Tabunlar of UPM College of Medicine as moderator		UP Med Webinar		https://www.facebook.com/273153789428529/posts/3059453757465171/
41	UP Manila	Let's Get PTKal week 3: strengthening and week 4: sustainability	Students and professors of UP College of Allied Medical Professions created a full body workout video that may guide and encourage people who are at home to exercise during the pandemic		UPM College of Allied Medical Professions		https://www.facebook.com/UPM-CAMPOfficial/videos/282340042981223/ https://www.facebook.com/100393607138046/posts/920794701764595/
42	UP PGH	COVID-19 out patient PCR testing	UP PGH is now offering PCR testing for out patients. Those who are interested to get tested must follow the process and guidelines indicated in the PGH website	https://www.pgh.gov.ph/pcr-testing/?fbclid=IwAR3SgHban-GfIJSeuSRmFOQvdl-KiCrz6EUzq34Yk-Dr4YFSBxUxny-Ufe90P08	UP PGH		

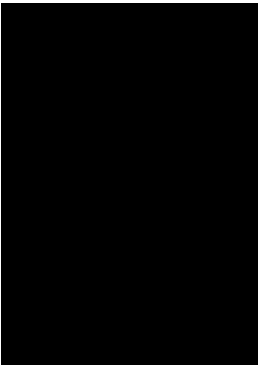

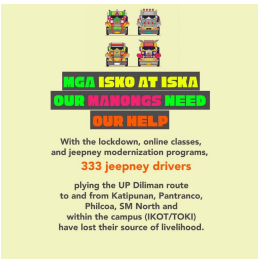

43	UP Manila and UP System	Webinar 12: COVID-19 Challenges for anesthesiologists	Anesthesiologists are one of the experts that are highly at risk in being infected with COVID-19 since they have to be in close proximity with their patients -- they are the ones who monitor vital signs (breathing) of patients when they perform surgical procedures. In the webinar held on July 10, 2020, Dr. Grace Herbosa, chair of the Department of Anesthesiology of the UP College of Medicine talked about the challenges anesthesiologists face and the strategies they do to keep them safe while taking care of their patients.				https://www.facebook.com/Stop-COVIDDeaths/photos/a.107913064241545/147165673649617/?type=3&theater
44	UP Manila	Online consultation request and appointment system	UP PGH created an online tutorial video to guide the public in requesting for appointment with their doctors in PGH. Also, they released a step-by-step guide in requesting for documents from UP PGH records division		Philippine General Hospital		https://www.youtube.com/watch?v=cDGUnzehASE&feature=youtu.be&fbclid=IwAR1S8OSR-j_Hd27e0cv108ewz72HRCil1cb388XX3SpQyJu72D_7hwc9e-VmY https://www.facebook.com/1650591728305393/posts/3377789078918974/

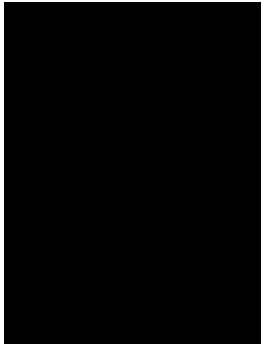

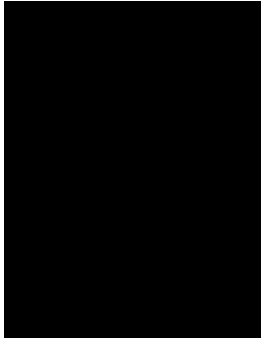

45	UP Manila and UP System	Webinar 13: Genetic Sequencing Research: Mutation of SARS-COV2 (Implications for Clinical Management and Vaccine Development)	The 13th series of the webinar by UP Manila and UP System talked about genetic sequencing of SARS-COV2 with speaker Dr. Cynthia P. Saloma, executive director of Philippine Genome Center and professor of Molecular Biology and Biotechnology in UP Diliman			 <p>STOP COVID DEATHS: CLINICAL MANAGEMENT UPDATES WEBINAR #13 GENETIC SEQUENCING RESEARCH: MUTATION OF SARS-CoV-2 (IMPLICATIONS FOR CLINICAL MANAGEMENT AND VACCINE DEVELOPMENT) DR. CYNTHIA P. SALOMA Executive Director, Philippine Genome Center Professor, Molecular Biology and Biotechnology Nat. Inst. of Molecular Biology and Biotechnology University of the Philippines - Diliman JULY 17, 2020 • FRIDAY • 12NN-2PM Register at bit.ly/StopCOVIDDeathsWebinar13</p>	https://twitter.com/upmtelehealth/status/1282537338816442370/photo/1
46	UP Manila and UP System	Webinar 11: Rehabilitation for critical care survivors of COVID-19	Dr. Celso F. Bate, discussed interventions and options for the continuation of rehabilitation of inpatient, outpatient, home-based or telehealth services in the 11th webinar of UPM and UP System last July 3, 2020. He shared that rehabilitation is necessary to help patients fully recover from the virus.	https://www.up.edu.ph/the-challenge-of-rehabilitation-for-covid-survivors-in-up-stop-covid-deaths-webinar/		 <p>STOP COVID DEATHS: CLINICAL MANAGEMENT UPDATES WEBINAR #11 REHABILITATION FOR CRITICAL CARE SURVIVORS OF COVID-19 DR. CELSO F. BATE Physiatrist, The Medical City and VPP Medical Center July 3, 2020 Friday 12NN-2PM Register here: bit.ly/StopCOVIDDeathsWebinar11</p>	
47	UP Manila	Gov't begins study on plasma therapy for COVID-19 patient	The Philippine government funded the research of UP PGH and Philippine Council for Health Research and Development regarding the use of convalescent blood plasma to treat COVID-19 patients and other infections. Philippine President also promised a substantial research grant to UP and PGH for vaccine research and development, according to Manila Bulletin.	https://www.manila-times.net/2020/07/05/news/national/govt-begins-study-on-plasma-therapy-for-covid-19-patients/737889/ https://mb.com.ph/2020/07/14/duterte-offers-p20-m-reward-to-any-filipino-who-develops-durable-respirator/			

48	UP Manila	DOH, UP issue guidelines on telemedicine practice in PH	Telemedicine is one of the ways that doctors can help patients with health concerns that are non-COVID related. With some health-care providers reluctant to use telemedicine, DOH and UP issued guidelines on how healthcare providers can effectively and efficiently practice telemedicine.	http://newsbytes.ph/2020/07/12/doh-up-issue-guidelines-on-telemedicine-practice-in-ph/			
49	UP Manila	WHO acknowledges emerging evidence that COVID-19 is airborne	Dr. Salvana, infectious diseases specialist and molecular biologist from UP provided information, through an online article by Manila Bulletin, on how the public can be safe from COVID-19 now that scientists discovered the virus has airborne characteristics	https://mb.com.ph/2020/07/14/who-acknowledges-emerging-evidence-that-covid-19-is-airborne/			
50	UP Manila	5 PH hospitals designated as clinical trial sites for WHO vaccine tests	PGH will be one of 5 hospitals where clinical trial sites for vaccines will be conducted. This is because one of the classifications is high transmission rate, which PGH happens to satisfy.	https://newsinfo.inquirer.net/1304059/5-ph-hospitals-designated-as-clinical-trial-sites-for-who-vaccine-tests			

51	UP Manila	Unified hospital system and data gathering pushed to deal with future health crises	Dr. Gap Legaspi, executive director of PGH, with other experts suggested a oneward system for Philippine hospitals. They suggested that in this system, there will be a command center that will streamline all information needed by the hospitals and Philippine hospitals will be able to determine the gaps each hospital may have and they can share resources accordingly. But first, data collection issues must be addressed according to UPM Vice Chancellor for Planning and Development Dr. Michael Tee	https://cnnphilippines.com/news/2020/7/14/unified-hospital-system-data-gathering-pushed.html			
52	UP Baguio		Prof. Junley Lazaga of UPB translated stories for children in Ilocano to ensure that more children will be able to learn from COVID-19		UPB Office of Public Affairs Director Prof. Junley L. Lazaga		https://www.facebook.com/UPPublicService/posts/1371565526365381?__tn__=K-R
53	UP Mindanao		Philippine Genome Center trained medical personnel from Dr. Jorge P. Royeca last July 2-4, 2020 in UP Mindanao				https://www.facebook.com/pgcmin-danao/posts/596527947956945

CU Involvement in COVID19-Related Research/Technology in the Development or Call for Donation Stages

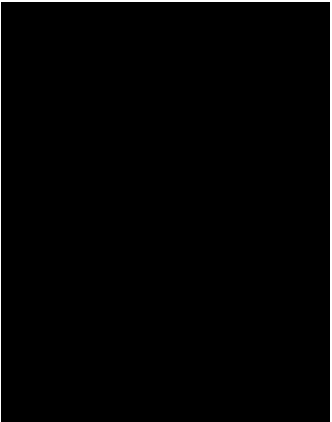

No.	CU	Initiative (Name/Title of Initiative)	Description (Short Description)	Source/Links	Spearheaded by:	Details (e.g. Pictures)	Other Information (e.g., social media links, links to media releases/features, more description)

1	UP Diliman	How to home quarantine	UPD UHS released guidelines how to conduct proper home quarantine			<p>MGA GABAY SA HOME QUARANTINE</p> <ol style="list-style-type: none"> 1. Manatili sa tahanan. Iwasan ninyo ang mga aktibidad sa labas ng tahanan, maliban sa pagpapagagamot ng karamdaman. Huwag munaang pumasok/pumunta sa trabaho, paaralan o pampublikong lugar, at huwag sumakay sa pangpublikong transportasyon o mga taxi. 2. Ihiwalay ang sarili sa ibang tao sa inyong tahanan. Hangga't maaari, manatili sa kuwarto na hiwalay sa mga tao sa inyong tahanan. Bukod dito, gumamit kayo ng hiwalay na banyo, kung mayroon. 3. I-monitor ang temperatura tatlong beses sa isang araw. 4. Tumawag muna bago bumisita sa inyong doktor. Kung kayo ay maglalagat (may temperaturang 38 °C o higit pa), o magkaroon ng mga respiratory yong sintomas, tumawag sa UP Health Service (UPHS) emergency room upang ipaalam sa kanila na ikaw ay pupunta sa UPHS upang magpauro. 5. Isuot ang face mask. Isuot ang inyong face mask kung kayo ay maa toon ng kuwarto kasama ang ibang tao at kung kayo ay bibisita sa tagapagbigay ng pangangalaga pangkalusugan. Kung hindi makakapagsuot ng face mask, ang mga taong kasama ninyo sa trabaho ay kinakailangang magasuot ng face mask habang kasama ninyo sila sa isang kuwarto. 6. Takpan ang ubo at bahing. Takpan ang inyong bibig at ilang ng tisyu kung kayo ay uubos o babahing, o maaari kuyang umuho o bunsahing gamit ang munggas ng inyong damit. Ikipat ang tisyu sa basurang may papel sa loob (line trash can), at agad na hugasan ang inyong mga kamay ng sabon at tubig nang hindi bababa sa 20 segundo. <p>UP Diliman Health Service</p>	https://www.facebook.com/Official-UPDiliman/posts/3105696249507507
