5	UP Diliman	#TulongIsko: A Donation Drive for Alternative Learning of UP Diliman Students	<p>This project aims to aid UP Diliman students in transitioning to the proposed remote learning of the UP administration. In one of the releases of the UP System, about 5,600 students all over the UP System would have little to no access to enough resources to continue the proposed mode of classes. While this campaign may help in alleviating worry for students, the call for #NoStudentLeftBehind and #WalangIwanan is amplified further and the fight for an inclusive education continues.</p>	<p>https://www.facebook.com/r4e-UPDiliman/posts/1776646769140821</p>	UP Diliman Chapter of the Rise for Education Alliance
