109	UP Diliman	Mass Testing	<p>UP Diliman has stepped up its intervention to prevent the spread of COVID-19 through mass testing for the whole month of January. All employees or personnel in colleges, offices and units in the campus were enjoined to undergo swab test at Silungang Molave. The asymptomatic testing aims to determine the COVID-19 situation in UP Diliman so that policies on health and safety can be strengthened. The directive for mass testing came from Diliman Chancellor Fidel Nemenzo.</p> <p>Offices have been temporary closed until such time that employees shall have received the results of their swab test. Work-from-home schemes were in place in the offices that were not opened temporarily. Meanwhile health liaison officers and post-ECQ Teams are asked to come up with a new round of health and safety orientations for faculty and staff alike.</p>
