

UP PADAYON

PUBLIC SERVICE REPORT

UP VISAYAS

October - December 2023

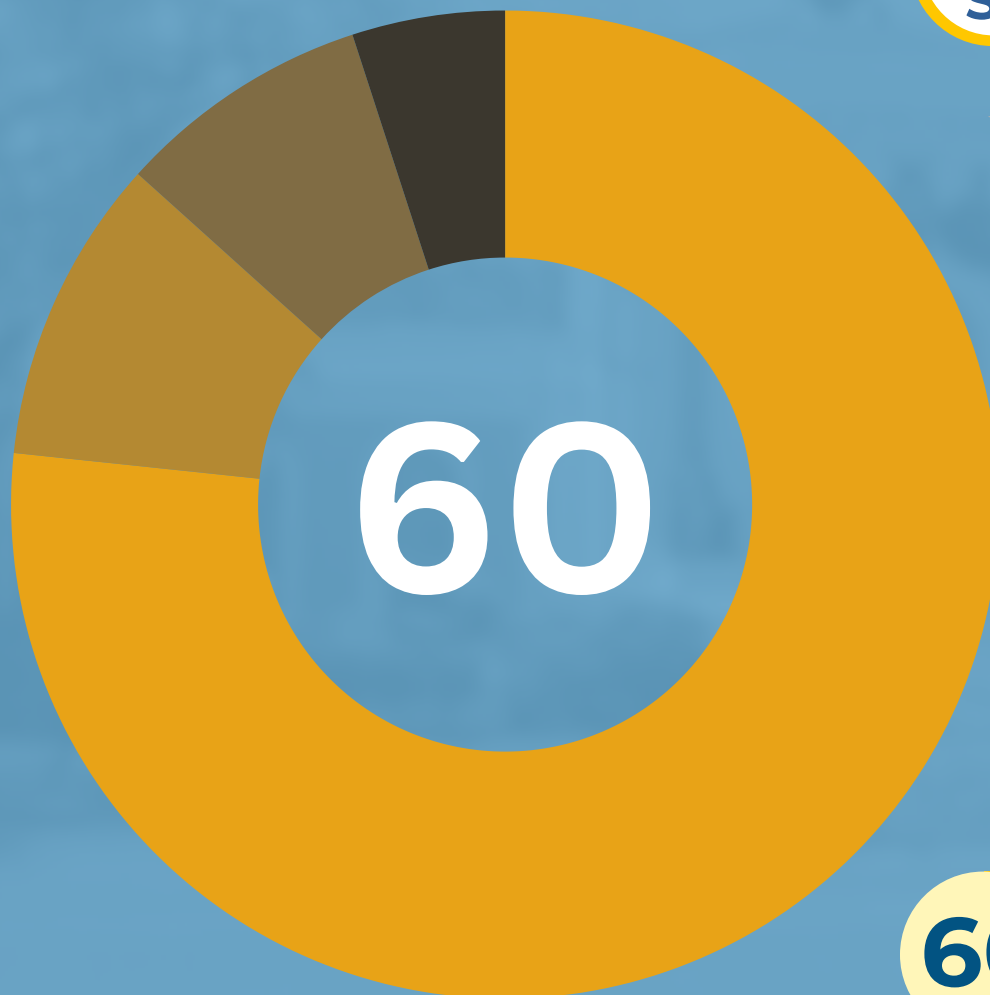

HIGHLIGHTS

- **UP Visayas conducted a total of 60 initiatives** over the past three months, with **November** generating the highest number of public services activities.
- At least **65% of the public service activities** are composed of seminars/webinars, training sessions, and workshops. **Volunteer programs and community engagement activities follows with six (6) activities.**
- **Notable among UP Visayas' public service initiatives was the opening of the College of Fisheries and Ocean Sciences Fish Gene-Editing Laboratory on December 6, 2023.** This facility is designed to capacitate UPV to conduct cutting-edge CRISPR/Cas9 gene-editing research on commercially important fish species in the future.
