RECOMMENDATIONS

- To improve the **efficiency of the monitoring and consolidation** of public service data via media postings, UP Los Baños can adopt the following measures:
 - **Implement a tagging system** for its public service initiatives using the hashtags **#PadayonPSReport** or **#UPLBPublicService**.
 - Gauge the strategic impact of each public service initiative by identifying the following factors: **type of beneficiary, intervention provided, number of participants, and tagging or marking a particular sustainable development goal/s (SDG) that the activity addresses.**
- UP Los Baños, through its **Office of Alumni Relations**, is encouraged to **collaborate with or tap the capacity of its alumni in mobilizing public service activities.**
